#### Academic Year 2019-2020 (Considering COVID 19 pandemic)

For the academic years 2019-2020 and 2020-2021 depending on the spread and intensity of the Pandemic, the academic schedules will differ from State to State or University to University, NAAC shall relax the condition making flexible and open-ended provisions for deciding the academic years. Through this institutions will be permitted to make the submissions as and when they complete the academic year.

Further for those who have already submitted their applications, in view of the pandemic situation NAAC shall extend the time for submitting the data including the academic year 2019-2020 within three months from the Government notification to resume the normal academic activities and completion of the conduct of examinations and other academic processes by the Higher Education Institution.

Guidelines for the Creation of the Internal Quality Assurance Cell (IQAC) and Submission of Annual Quality Assurance Report (AQAR) in Accredited Institutions (with effect from academic year 2020-21)

#### Introduction

In pursuance of its action plan for performance evaluation, assessment and accreditation and quality upgradation of institutions of higher education, the National Assessment and Accreditation Council (NAAC), Bengaluru proposes that every accredited institution should establish an Internal Quality Assurance Cell (IQAC) as a quality sustenance measure. Since quality enhancement is a continuous process, the IQAC will become a vital part of the institution's quality assurance system and work towards ensuring quality enhancement and sustenance. The prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the overall performance of its institution. For this, during the post-accreditation period, institutions need to channelize their efforts towards promoting holistic academic excellence including the implementation of peer team's recommendations.

The guidelines provided in the following pages will facilitate the institution in the creation and operation of the IQAC. The establishment of the IQAC is the first step towards institutionalization and internalization of quality enhancement initiatives. Its success depends on its sense of belongingness and participation in all the activities of the institution. It will not be yet another hierarchical structure or a record-keeping unit of the institution but will be a facilitative and participative unit of the institution. It has the potential to become a vehicle for ushering in quality enhancement through its planned and interventionist strategies to remove deficiencies and enhance quality, as in Quality Circles in industries.

#### IOAC - Vision

To promote quality culture as the prime concern of Higher Education Institutions through institutionalizing and internalizing all the quality-enhancing and sustaining initiatives taken with internal and external support.

#### **Objective**

#### The primary aim of the IQAC is

- To develop a mechanism to promote conscious, consistent and catalytic action plans to improve the academic and administrative performance of the institution.
- To promote institutional quality enhancement and sustenance through the internalization of quality culture and institutionalization of the best practices.

#### **Strategies**

#### IQAC shall evolve a mechanism and procedures for

- a) Ensuring timely, efficient and progressive performance of academic, administrative and financial units;
- b) Adoption of relevant and quality academic and research programmes;
- c) Ensuring equitable access to and affordability of academic programmes for various sections of the society;
- d) Optimization and integration of modern methods of teaching and learning;
- e) Ensuring credible assessment and evaluation processes;
- f) Ensuring the proper allocation, adequacy and maintenance of support structure and services; and
- g) Sharing of research findings and networking with other institutions in India and abroad.

#### **Functions**

Some of the functions expected of the IQAC are:

- a) Development and application of quality benchmarks;
- b) Setting parameters for various academic and administrative activities of the institution;
- c) Facilitating the creation of a learner-centric environment conducive to quality education and faculty development to adopt the required knowledge and technology for participatory teaching and learning process;
- d) Collection and analysis of feedback from all the stakeholders on quality-related institutional processes;
- d) Dissemination of information on various quality parameters to all the stakeholders;
- e) Organization of intra- and inter-institutional workshops and seminars on quality-related themes and promotion of quality circles;
- f) Documentation of various programmes/activities leading to quality improvement;
- g) Acting as a nodal agency of the institution for coordinating quality-related activities, including adoption and dissemination of the best practices;
- h) Development and maintenance of institutional database through MIS for the purpose of maintaining and enhancing institutional quality;
- i) Periodical conduct of Academic and Administrative Audits along with their followup activities; and
- j) Preparation and submission of the Annual Quality Assurance Report (AQAR) as per the guidelines and parameters of NAAC.

#### **Benefits**

#### *IQAC* will facilitate / contribute to

- a) Ensuring clarity and focus in the institution's march towards quality enhancement;
- b) Ensuring internalization of quality culture;
- c) Ensuring enhancement and coordination among the various units and activities of the institution and institutionalizing all good practices;
- d) Providing a sound basis for decision-making to improve institutional functioning;
- e) Acting as a dynamic system for quality changes in HEIs; and
- f) Building a sound methodology for documentation and internal communication.

#### Composition of the IQAC

The IQAC should be constituted in every institution under the chairpersonship of the Head of the Institution with heads of key academic and administrative units and a few teachers and a few distinguished educationists and representatives of the local management and stakeholders as members.

The composition of the IQAC should be as follows:

- 1. Chairperson: Head of the Institution
- 2. Teachers to represent all levels (Assistant Professor and Associate Professor) (Three to eight)
- 3. One member from the Management
- 4. The senior administrative officer (Office Superintendent/Manager)
- 5. One nominee each from the Local Society/Trust, Students and Alumni
- 6. One nominee each from the Employer/Industrialists/Stakeholders
- 7. One of the senior teachers as the Coordinator of the IQAC

The composition of the IQAC will depend on the size and complexity of the institution and accordingly the representation of teachers may vary. The IQAC helps the institution in planning and monitoring quality-related activities. It ensures the various stakeholders' and beneficiaries' cross-sectional participation in the institution's quality-enhancement activities. The guidelines given here are only indicative and will help the institutions in their quality-sustenance activities.

The membership of the nominated members shall be for a period of two years. The IQAC should meet at least once in every quarter. The quorum for the meeting shall be two-thirds of the total number of members. The Agenda, Minutes and Action Taken Reports are to be documented and maintained electronically in a retrievable format.

While selecting these members, several precautions need to be taken. A few of them are listed below:

- ▶ It is advisable to choose persons from different backgrounds who have earned respect for their integrity and excellence in their teaching and research. Moreover, they should be aware of the ground realities of the institutional environment. They should be known for their commitment to improving the quality of teaching and learning.
- It is advisable to change the Coordinator every two/three years to usher in new thoughts and activities in the institution.
- It would be appropriate to choose senior administrators and persons in charge of institutional services such as library, computer centre, estate office, student welfare, administration, academic tasks, examination and planning and development.
- The management representative should be aware of the institution's objectives, strengths and limitations, and should be committed to its improvement. The local Society/Trust representatives should be of a high social standing and should have made significant contributions to society and to education, in particular.

#### The Role of the Coordinator

The role of the Coordinator of the IQAC is crucial in ensuring the effective functioning of all the members. The IQAC Coordinator may be a senior and competent person with rich experiences and exposure to quality aspects. He/She may be a full-time functionary or a senior academician/administrator entrusted with additional responsibility as the IQAC Coordinator. Secretarial assistance should be ensured by the administration. It is essential that the coordinator has a sound knowledge of computers and data management.

#### **Operational Features of the IQAC**

Quality assurance is a by-product of the ongoing efforts of an institution to define its objectives and chalk out a work plan to achieve them and also specify the checks and balances to evaluate the degree to which each of the tasks is fulfilled. Hence devotion and commitment to improvement rather than mere institutional control is the basis for devising procedures and instruments for assuring quality. The IQAC has to ensure that whatever is done in the institution for higher education is done efficiently and effectively. In order to do this, the IQAC will have to first establish procedures and modalities to collect data and information on the various aspects of the functioning of the institution. The IQAC Coordinator has a major role in implementing these functions. The IQAC may derive support from the already existing units and mechanism that contribute to the functions listed above.

Institutions are requested to submit the AQAR every year. NAAC has designed format for online submission of AQAR. The HEI is requested to logon to their portal for regular updates and submission. A functional IQAC and timely submission of the AQAR are the minimum institutional requirements to apply for the second, third and subsequent cycles

of accreditation. During the institutional visit, the NAAC peer team will interact with the IQAC to know about its functioning, progress, and the quality sustenance initiatives undertaken.

The AQAR may be part of the Annual Report. It shall be approved by the statutory body/bodies of the HEIs (such as the Syndicate/Governing Council/Executive Council/Board of Management) which will also monitor the quality enhancement and sustenance measures undertaken by the IQAC.

The IQAC may create its exclusive window tab on its institutional website for keeping the documents pertaining to NAAC, Peer Team Reports, SSR, Data Templates, AQAR, and Certificate of Accreditation. It shall regularly upload/report on its activities and host the AQAR as well.

#### **Revised Accreditation Framework**

NAAC launched the Revised Accreditation Framework and hence the AQAR format also was modified in tune with the new methodology. The tools and parameters in the new AQAR format have been designed in such a way that the preparation of the AQAR would facilitate the HEI's SSR preparation for the upcoming cycle of accreditation. It is hoped that new AQAR format would facilitate Higher Education Institutions in creating a good database at the institutional level for enhancing a culture of excellence.

As per the Revised Accreditation Framework (RAF), NAAC-accredited institutions need to submit the AQAR online. Henceforth, HEIs need not submit the printed/hard copy of the AQAR to NAAC. The login ID for the online submission of the AQAR will be the email ID used for the Institutional Information for Quality Assessment (IIQA). The AQAR of the preceding year should be submitted to NAAC before 31<sup>st</sup> December every year. When institutions submit the AQAR online, they will receive an automated response from the NAAC portal.

#### Mandatory Submission of AQAR by IQAC

The Executive Committee of NAAC has decided that with effect from 16<sup>th</sup> September 2016 regular submission of the AQAR is mandatory for the second and subsequent cycles of accreditation.

The following are the prerequisites for the submission of AQAR for all Higher Education Institutions opting for the second and subsequent cycles of Assessment and Accreditation:

• The institution should have a functional IQAC.

- The minutes of IQAC meeting(s) and compliance to the decisions taken should be uploaded on the institutional website.
- The institution should have uploaded the AQAR on its institutional website for access to all its stakeholders.

Note: The terms and abbreviations used in the AQAR are in accordance with the respective NAAC manuals. Please refer to the glossary for the meaning of specific terms and abbreviations used in the AQAR.

#### Guidelines to HEIs to fill in AQAR

- ➤ All institutions have to submit AQAR online in the prescribed format only. They have to provide data for the academic year completed. Only one year's data needs to be provided in AQAR.
- ➤ Duly filled-in Data template has to be submitted online along with the AQAR in appropriate metrics. Data templates along with supporting documents need to be uploaded in the institutional website.
- ➤ QIM responses to be recorded in 100-200 words only.
- ➤ If the institution does not submit the AQARs on time, it will be recorded as late submission
- ➤ If institutions do not respond to the clarification(s) sought and do not edit AQAR accordingly within the stipulated time line even after 3 reminders, NAAC will accept AQAR as it is and an automated email will be sent to the HEI.
- ➤ After the approval of AQAR, the edit option will not be provided.
- ➤ All the terms provided in the glossary and used in the AQAR shall be read in conjunction with the respective manuals.
- ➤ The revised AQAR format will be implemented from the academic year 2020-2021. Format of AQAR for earlier years is also available on NAAC website.
- ➤ In the AQAR, during the year has been specified which means latest completed academic year.
- ➤ The HEI's which are submitting AQAR after the first cycle (and subsequent cycle) should provide previous year AQAR links, however, those HEI's which are submitting AQAR for the first year after first cycle of accreditation may provide the SSR link instead of AQAR link.
- The data to be submitted from 1<sup>st</sup> June 2019 to 31<sup>st</sup> December 2020 for the AQAR Academic year' 2019-20 and for 2020-21 data to be submitted from 1<sup>st</sup> June 2020 to 31<sup>st</sup> December 2021.

# The Annual Quality Assurance Report (AQAR) of the IQAC (For Universities)

Institutions Accredited by NAAC need to submit an Annual self-reviewed progress report i.e. Annual Quality Assurance Report (AQAR) to NAAC, through its IQAC. The report is to detail the tangible results achieved in key areas, specifically identified by the IQAC at the beginning of the Academic year. The AQAR period would be the Academic Year. (For example, June 1, 2017 to May 31, 2018)

Ans: NAAC will not extend the dates of submission of AQAR every year the AQAR, the AQAR need to be submitted before 31<sup>st</sup> December. In case of any national emergencies or exigencies then take a decision. Refer to NAAC notification of extension if any in regular situations, HEIs are advised to submit all previous AQAR to NAAC with the usual deadline.

30. The recent notification from NAAC about SSR submission asks for data to be submitted from 1st June 2019 to 31st December 2020 for the academic year 2019-20. Does the same instruction apply for submission of data for AQAR for the academic year 2019-20 and 2020-21?

Ans: Yes. The same has been adopted for AQAR also. The data to be submitted from 1<sup>st</sup> June 2019 to 31<sup>st</sup> December 2020 for the AQAR Academic year 2019-20 for 2020-21 data to be submitted from 1<sup>St</sup> June 2020 to 31<sup>St</sup> December 2021.

#### 31. What are the mandatory disclosures to put on the HEIs Website?

To ensure the transparency in the process of Assessment and Accreditation, it is necessary for the Higher Educational Institution's (HEI's) to upload the SSR along with other relevant documents on Institutional website. Thus it is suggested to create a separate NAAC tab/link on Higher Educational Institution's (HEI's) website and upload following documents till the validity period of Accreditation is over:

- 1) SSR submitted online, to be uploaded after DVV process only (.pdf format).
- 2) Data templates which are uploaded along with SSR (in password protected mode, if needed).
- 3) Annual Quality Assurance Report (AQAR Year wise)
- 4) Accreditation outcome document viz., Certificate, Grade sheet, etc.

The Higher Educational Institution's (HEI's) may suitably design their NAAC tab/link to accommodate all relevant documents.

#### 32. What is the format for AQAR Academic year 2020-21?

The NAAC has recently brought out AQAR new guideline in line with different manuals. The AQAR guideline is available in NAAC website.
