

LIBRARY

CENTRAL SANSKRIT UNIVERSITY Shri Raghunath Kirti Campus

Devprayag, Pauri Garhwal, Uttarakhand-249301

About the Campus

Library of Shri Raghunath Kirti Campus, Central Sanskrit University (formerly Rashtriya Sanskrit Sansthan) was started with the establishment of the campus on 16th June, 2016, at Devaprayag, Pauri Garhwal, Uttarakhand, The Campus is named after the famous deity Shri Raghunathaji whose Shrine in the ancient Raghunatha Temple, was constructed in the style of Katyuri Dynasty of the Mountains, near the holy confluence of the two important mythological rivers, Bhāgirathi and Alaknandā, where the river Gaṅgā is believed to be originated.

About the Library

Campus has a well-stocked library covering all domains of higher education. The Library is completely automated with barcode for computerized circulation of books and OPAC through Internet.

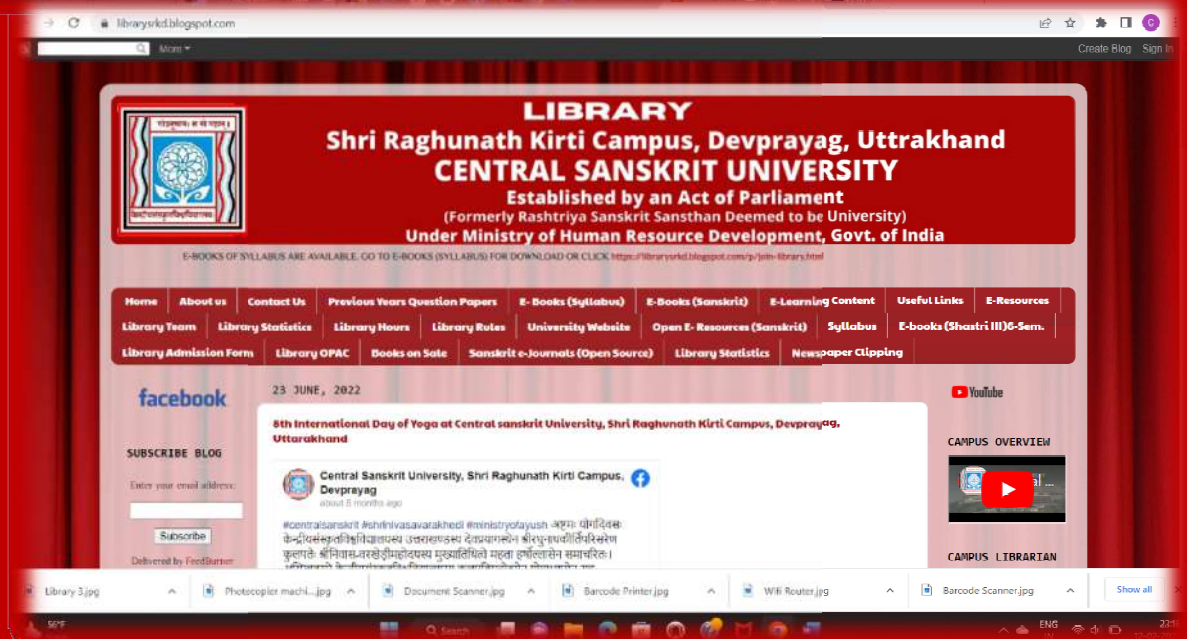

The collection includes areas of Sanskrit literature as well as modern subject's literature. The library also keeps a collection of modern Sanskrit literature. Library collections are classified as per the Dewey Decimal Classification System.

The library has a separate sales section of university publications. Institutional readers as well as external readers can also purchase from the sales counter of the campus. The collection is acclaimed as valuable reference material for those who are in the field of Sanskrit studies. The library remains open on all working days from 08.00 A.M. to 8. 00 P.M.

Objectives

To extend support to teaching, learning and research initiatives of the campus.

1. To provide a curriculum based, flexibly scheduled, open access learning environment that accommodates all learners.
2. To provide career related information resources to the users.
3. To provide access to OPAC and e-resources.
4. To create a suitable ambience for optimum usage of library resources.
5. To provide assistance in retrieval of reading material and e-resources.
6. To provide services to the readers, neighboring community and alumni by extending the available information resources endeavor to meet the changing user needs.
7. To remain technologically advance.
